Author's Note  
Preface

When I was  
young, I've had  
a hard dog owner

When, suddenly  
one owner, their  
world moved on its  
own path  
It's about, thinking  
backwards, forwards.

And the dog owner  
has been with the  
dog for 10 years and  
more.

Every now and then,  
I've been with my dog  
and owner.

The dog is  
the dog owner's  
dog owner's dog owner

that is,  
as long as some  
magical powder  
keeps sprinkling  
down from the  
sky.

as handsome as  
myself!

master said

you're a  
strongman,  
you're...

going to  
fight?

a beauty, too!

about me.

He asked
